Section 1

1.1 Aims of the Policy

The Cowplain School and the Governing Body aim to make the widest possible range of opportunities available to all our students.

Education should be free of charge if it takes place during school hours and is part of the requirement of a prescribed examination syllabus or statutory to the requirements of the National Curriculum. However, voluntary contributions can be requested to help fund the cost of some activities.

For some activities in order to encourage participation no charges will be made. These are listed within this policy.

Section 2

2.1. Day Visits (wholly or mainly during the school day)

For day visits mainly during the school day, which reinforce part of the school curriculum (e.g. supplement aspects of learning that exist in our schemes of work and which are offered to all students studying that course) our parents will be asked to make a voluntary contribution to cover the cost of transport, entrance fees, insurance costs, equipment/resources and specialist instructor time. The school will fund additional supply teacher costs. No student will be excluded because of their parents' inability to pay. The visit may be cancelled if 'the vast majority' of the costs are not raised by parents' voluntary contributions.

2.2. Residential Visits

No charge is made for tuition on these courses. However a charge will be made for board and lodging during a residential trip, and a voluntary contribution towards travel will be invited. Parents/Carers in receipt of certain benefits (as detailed in Appendix 1) may, on application to the Headteacher, have the board and lodging charge remitted by the Governors, provided the course takes place wholly or mainly in school time or is part of the National or Examination Curriculum.

If insufficient contributions are received the Headteacher will determine whether the trip or visit can proceed. If cancelled, all monies paid will be returned to parents.

2.3. Remission Policy

Remission of board and lodgings charges will be considered for students whose parents receive certain benefits (as listed in Appendix 1) if an activity takes place wholly or mainly during school hours; or is out of school hours but covered by requirements relating to prescribed examinations syllabuses or studies relating (essential) to the National Curriculum, or duties relating to Religious Education.

In addition, the Governing Body may wish to remit in full or in part the cost of other activities for particular groups of parents, for example, in the case of family hardship and students that are in the Pupil Premium group. The designated Assistant Headteacher will consider such remissions from the School's pupil premium budget.

When setting charges for activities that support the curriculum through voluntary contributions, parents who have difficulty in paying will be invited to apply for the remission of charges in full or in part. The Deputy Headteacher will consider such remissions from the School's annual hardship budget.

In addition, the school may receive Government or Local Authority Grants to support particular students, cohorts or initiatives. The designated teacher will be responsible for authorising contributions from such grants.

All applications for remission should be made in writing to the Headteacher.

Section 3

3.1. Optional Extras

Charges may be made for some activities known as "Optional Extras". These may include-

- extra curricular activities
- any equipment and/or staffing in relation to extra curricular activities
- Breakfast, After School and Holiday clubs

Any charge made in respect of individual pupils will not exceed the actual cost of providing the activity. It will not, therefore, include an element of subsidy for any other pupil. Participation in any optional extra activity will be on the basis of parental choice and a willingness to meet the charges. Parental agreement is

therefore a necessary pre-requisite for the provision of an optional extra where charges will be made.

3.2 Extra-Curricular Activities

In order to encourage participation, no charges will be made for:

- After-school activities and clubs
- Extra tuition in a timetabled subject provided after school hours
- Tuition in an extra subject which is not part of the School's curriculum

3.3 Instrumental Music Tuition

Costs are reviewed annually and parents will be notified of charges annually for tuition in voice and the playing of a musical instrument. ~~with the exception of:-~~

3.4 Damage to School Property/Equipment

Where school property has been wilfully or recklessly damaged by a student *or parent* the school may charge those responsible for some or all of the cost of repair or replacement. Where property belonging to a third party has been damaged by a pupil, and the school has been charged, the school may charge some or all of the cost to those responsible.

Whether or not these charges will be made will be decided by the Headteacher and dependent on the situation.

3.5 Examination Fees

Parents who request an appeal with reference to the final GCSE grade awarded will be charged the relevant examination board appeal fee. The Cowplain School will fund any appeals requested by teaching staff.

3.6 Bus Passes

Parents or carers living in the Denmead and Hambledon can purchase an annual bus pass through the School for their child/children. Payment will be made either in full or by monthly standing order. Where students are eligible for free travel from Hampshire County Council, the application will be made directly to Hampshire County Council and the School will not seek any reimbursement from the parents/carers. Guidelines and criteria for free travel can be found at <http://www3.hants.gov.uk/traveltoschool/sch-transport/stforms.htm>

In all cases the School is obliged to make a charge of £20 for the replacement of damaged, lost or stolen bus passes.

3.7 Catering Accounts

Students who have catering accounts will be entitled to a refund of any surplus balances when leaving the school.

APPENDIX 1 – Remissions for Residential Visits

Parents who can prove they are in receipt of the following benefits will be exempt from paying the cost of board and lodging for residential visits provided they take place wholly or mainly in school time or are part of the National or Examination Curriculum:-

- Universal Credit (household income must be less than the specified amount per year)
