A stable careers programme	Learning from career and labour market information	Addressing the needs of each pupil	Linking curriculum to careers	Encounters with employers and employees	Experiences of workplaces	Encounters with further and higher education	Personal Guidance

The Cowplain School Website/Social Media/Google Classroom:

The school's careers programme is published on The Cowplain School website, with links to a wide range of useful resources for parents, staff, and students.

Students are encouraged to join the 'Your Future' Google Classroom which provides a library of resources: career guidance tools, information on specific careers, further & higher education pathways, apprenticeships information, and online careers tools.

Opportunities and information are promoted to parents and students via Google Classroom, social media (Facebook/Twitter), email and Reflection Time.
