Precise Learning Endpoints We want students to learn/be able to:	Apply links between the key concepts studied in The Island and the religions studied in Year 7.     Keep a diary detailing the events on The Island and write creatively about their adventures.	Explain the different ways people celebrate key events in life.     Analyse the impact of these celebrations on individuals, communities and society.	Reflect upon their own responses to a range of ethical issues.     Explain how religious people may respond based on prior learning.	Engage with topical material eg Animal Rights and explain the issues involved.     Evaluate and give a judgement about these issues.	Engage with topical material eg The Death Penalty and explain the issues involved.     Evaluate and give a judgement about these issues.	Understand the issues raised by the existence of evil and suffering for theists.     Evaluate and discuss the responses to the inconsistent triad.
	Autumn Term		Spring term		Summer term	
Year 9	1	2	3	4	5	6
Topic Summary	The A-Z of Religion	The A-Z of Religion	The A-Z of Religion	Prejudice and Discrimination	Prejudice and Discrimination	Prejudice and Discrimination
	Acquiring knowledge: What can people wear to express their religion? Creating independence: Are you an atheist, agnostic or theist and what has influenced your choices?  Being creative: How did the world begin?	Acquiring knowledge: What do different religions believe about the afterlife? Being creative: do you think we should all prescribe to food laws, like some members of religions do?	Acquiring knowledge: What different rituals do religions have? Where do religious people worship?  How do religious people celebrate?  Where do religious people find their rules?	Acquiring knowledge: What is the difference between prejudice & discrimination? Changing the world: Can we ever get rid of prejudice & discrimination?	Changing the world: How did Rosa Parks, Martin Luther King and Malcolm X change the world for the better?	Acquiring knowledge: How and why did the Black Lives Matter movement start?
Thinking Hard						
	Curiosity: How does your attitude to religion affect your life? How do your beliefs about creation influence attitudes to environmentalism?	Curiosity: What do you think happens when you die?	Kindness: How should we treat people from different religious cultures?	Mindfulness: Students will reflect upon their own experiences relating to prejudice & discrimination	Kindness: Students will reflect upon how they treat others in relation to prejudice & discrimination	<b>Curiosity:</b> Students will question the need for this type of movement.
Developing Character						
Understanding Diversity	Respecting human rights: Should people be able to express their religious beliefs in public? Understanding environmental diversity: Are we responsible for climate change?	Being a world citizen: understanding there are countless different religious beliefs across the world regarding the afterlife and these should all be respected	Awareness of where we live: are there any religious holy buildings in or near Waterlooville?	Being a world citizen: Learning to respect and embrace difference	<b>No limits to your destination:</b> Can we eradicate racism in the future?	Awareness of where we live: Is this movement relevant to the area in which we live? Respecting human rights: How does racism impact on individuals and society?
